Use should refer to Chapters 226-021 and 226-010 of the Washington State Code (see Washington state laws for more information).

Due to the dynamic nature of data and the need to rely on ancillary sources of information, the boundaries of fish and wildlife habitat and the locations of public lands are subject to change. These maps are not intended to be definitive and are not a substitute for authoritative government publications. Because of the dynamic nature of data, the user should refer to Chapters 226-021 and 226-010 of the Washington State Code (http://www.wa.gov/ for more information).
